

Do's

- DO** clean all the carpets placed
- DO** use a vacuum on the carpet
- DO** clean all the areas e.g. floor, table, chairs, desk, etc.
- DO** remove the wires if there is any electrical device connected before cleaning the area
- DO** use a warning board while cleaning

Don'ts

- DON'T** use a dirty cloth while cleaning any surface
- DON'T** leave the broom or mop at any place
- DON'T** use a laundry chemical on a carpet
- DON'T** use bleach to clean a rust
- DON'T** forget to scrub the sneaky places where the filth likes to hibernate
